MASSINGHAM, NORFOLK

WELCOME TO HILL FARM BARN

We're Hugh and Heidi, and we're delighted you're considering Hill Farm Barns for your wedding day!

Since 2003, this Norfolk retreat has been our passion. What began as a family-run working farm has blossomed into something truly special – a setting where love stories unfold against the backdrop of the Massingham countryside.

LUXURY BARN S

Onsite Accommodation

We offer 3 holiday barns that can be easily accessed from our East Drive, right off Rudham Road.

Many original features have been carefully kept or restored, with flint and some timber sourced from the site itself.

We love to think of these barns as a place where rustic charm, modern amenities and breathtaking countryside views come together seamlessly.

BARN 1: FALLOW FOLLY

Sleeping 7 guests in 3 ensuite bedrooms, the Fallow Folly is the most original unit on the site, retaining much of its former beauty as stabling and a hayloft.

BARN 2: THE OWL HOUSE

A spacious retreat that boasts an open-plan living area
- ideal for laughter, toasts, and shared memories that
stretch long into the night.

BARN 3: RED STAG LODGE

With five generous, easily accessible bedrooms, Red Stag Lodge is perfect for bringing everyone who matters most together. Here, you'll have all the space you need for a wedding weekend to remember!

PRIVATE ROOMS

There are three private rooms available: The Grouse, The Hare & The Pheasant Room. Each room features luxury mattresses, Hungarian down bedding, Egyptian cotton sheets, and blackout blinds for the perfect night's sleep.

Your stylish en-suite has a high-pressure shower, underfloor heating, and fluffy towels. The rooms blend rustic charm with modern touches, including flat-screen TVs, free Wi-Fi, and tea and coffee facilities. If you're booking for your wedding party, both rooms can interconnect to create your own private space.
